INCLUSION AND RETURN

RepatriAID | IntegrAID

RepatriAID and **IntegrAID** are participatory reintegration services offered by Root & Branch. They aim at the professional reintegration of persons who are willing or obliged to leave the country in a Dublin state, in the country of origin or in a safe third country.

Both services are currently being developed in close cooperation with Root & Branch's inclusion partners and are aligned with the objectives of Swiss development cooperation. The vision, approach and common thread in both return assistance programs is dual vocational education and training (or Dual VET).
